17 EXPLANATION

18 The inclusion of this explanation does not constitute agreement with
19 the explanation's substance by the members of the general assembly.

20 Under current law, commercial learner's permits are valid
21 for 180 days and may be renewed for an additional 180 days
22 without retaking the required general and endorsement knowledge
23 tests. This bill alters that provision to incorporate by
24 reference the validity and renewal periods provided by the
25 code of federal regulations as well as an exemption for state
26 driver's licensing agencies. Although the code of federal
27 regulations specifies the same 180-day validity and renewal
28 periods, state driver's licensing agencies are currently
29 exempted from those periods by the federal motor carrier safety
30 administration, and may instead allow commercial learner's
31 permits to be valid for one year with no renewal period.

32 Current law provides that certain employees of the
33 department of transportation (DOT) may be designated as peace
34 officers authorized to control and direct traffic and weigh
35 vehicles, and to make arrests for violations of the motor

1 vehicle laws relating to the operating authority, registration,
2 size, weight, and load of motor vehicles and trailers, and
3 registration of a motor carrier's interstate transportation
4 service with the DOT.

5 The bill authorizes peace officers employed by the DOT
6 to enforce all laws of the state including but not limited
7 to the rules and regulations of the DOT. The bill requires
8 DOT employees designated as peace officers to primarily
9 engage in the enforcement of federal motor carrier safety
10 regulations and federal motor carrier hazardous materials
11 regulations; the regulation of the operating authority of
12 motor carriers; the regulation of the movement, safety, and
13 lawful operation of commercial motor vehicles; the regulation
14 of the operating authority of commercial motor vehicle
15 operators; the enforcement of traffic and safety laws on
16 operators of commercial motor vehicles; the enforcement and
17 performance of other activities necessary for the motor carrier
18 safety assistance program and the high priority program;
19 the investigation and enforcement of matters relating to or
20 arising out of responsibilities entrusted to the DOT; the
21 control and direction of traffic; and the enforcement of motor
22 vehicle laws relating to the operating authority, registration,
23 size, weight, and load of motor vehicles and trailers. This
24 provision of the bill takes effect upon enactment.
